Province of Canada

The Pence Issues · 1851 – 1857

Scott 1
3d Beaver, red

Scott 2
6d Prince Albert

Scott 3
12d Queen Victoria

Canada's first stamp, the Three-pence Beaver, was issued on 23 April 1851. It was designed by Sandford Fleming, who later proposed standard time zones. A beaver, rather than a monarch, was a bold choice for a stamp of its day.

Later printings on wove paper

3d red
