Air Mail · 1918

The Curtiss Jenny issues

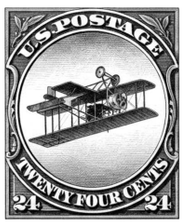

C1 · 6c orange

C2 · 16c green

C3 · 24c carmine rose and blue

?

C3a · center inverted space for a dream

Scheduled airmail began on 15 May 1918 between Washington, Philadelphia and New York. On 14 May, collector William T. Robey bought a sheet of 100 of the new 24-cent stamp with the biplane printed upside down — the Inverted Jenny, one of the most famous errors in philately.
